

TECHNICAL DETAILS – testo 350

General technical data	
Weight	440 g
Dimensions	88 x 38 x 220 mm
Operating temperature	-5 to +45 °C
Product-/housing material	TPE PC
Protection class	IP40
Product colour	Black
Battery type	Lithium-Ion rechargeable battery pack, 2600 mAh, 3.7 V
Battery life	5 h (without wireless connection)
Display type	graphic Display
Display size	240 x 320 pixels
Display function	Colour graphic display
Maximum memory	2 MB (250,000 meas. values)
Interface	Bluetooth®; IR/IRDA interface; USB 2.0; data bus; Mains connection
Storage temperature	-20 to +50 °C
