

TECHNICAL DETAILS – testo 745

AC voltage	
Measuring range	12 to 1000 V
General technical data	
Operating humidity	0 to 80 %RH
Weight	63 g
Dimensions	155 x 25 x 23 mm
Operating temperature	-10 to +50 °C
Product colour	Black
Protection class	IP67
Standards	EN 61326-1; EN 61010-1
Alarm function	by LED; audible
Battery type	2 AAA micro batteries
Storage temperature	-15 to +60 °C
Overvoltage Category	CAT IV 600V; CAT III 1000V

General technical data	
Authorizations	CSA; CE
Instrument Measurement Functions	
Measuring point illumination	yes
