

TECHNICAL DETAILS – testo 750-1

DC voltage	
Measuring range	12 to 690 V
Accuracy	according to DIN EN 61243-3:2010
AC voltage	
Measuring range	12 to 690 V
Accuracy	according to DIN EN 61243-3:2010
General technical data	
Operating humidity	0 to 95 %RH
Weight	230 g
Dimensions	270 x 65 x 35 mm
Operating temperature	-10 to +50 °C
Product colour	Black
Protection class	IP64
Standards	EN 61243-3; EN 61326-1; EN 61010-1

General technical data	
Battery type	2 AAA micro batteries
Storage temperature	-15 to +60 °C
Overtoltage Category	CAT IV 600V; CAT III 1000V
Authorizations	CSA; CE
Instrument Measurement Functions	
Continuity testing	yes
Display lighting	yes
Rotating magnetic field testing	yes
Single pole phase testing	-
Measuring point illumination	-
